

Dear Andrew,

I am writing to thank you for coming to Perth for Cerebral Palsy Awareness Week to run a series of Drum Workshops with our clients and families.

Your Workshops were a 'hit' and provided our clients with some fun therapy and the opportunity to express themselves creatively using one of the most powerful forms of communication; music.

You are an inspiration and I congratulate you on following your dreams, despite the many hurdles, to become a well-respected and successful professional drummer.

Cerebral Palsy Awareness Week 2008 was a great success and you played a huge role in the week. On behalf of our clients, families, staff and volunteers, please accept our sincere thanks for your support of Cerebral Palsy Awareness Week.

Kind Regards and best wishes
